

# We Build Homes For Life

## A few facts about Castlebrook Homes

- *We have been designing and building single family homes in the KW area for close to 25 years under the same name, Castlebrook Homes.*
- *New Home Warranty rates us "Excellent", the best rating they have.*
- *Our other Warranty is our own... We Care.*
- *Most of our tradesmen have been with us since we started and are proud of our name, quality and reputation.*
- *We typically design/build about 18 to 20 homes a year.*
- *I will introduce myself, answer questions and help you design and build your home from start to finish.*
- *Site visits are encouraged, but must be scheduled for safety reasons.*
- *Closing inspection is done with me and cover the home inside and out for mechanical information (furnace, A/C, water heater, etc.), cosmetic touch ups if necessary and warranty registration.*

**Come in, relax and feel at home. We won't pressure you.**
